SUMMARY

Frontend Developer with 5+ years of experience building user-friendly, accessible websites and web applications across e-commerce and interactive event platforms. Proficient in React, Next.js, TypeScript, and Sitecore, with a strong design sensibility and a track record of delivering polished digital experiences. Comfortable working independently or within collaborative teams in fast-paced agency environments. I'm a lifelong learner; I love learning new and emerging technologies, so if something isn't in my stack, I'm excited to jump in and learn it.

EXPERIENCE

Frontend Developer | Fishtank Consulting 2024 – 2026

- ▶ Developed enterprise-level web solutions for clients using the Sitecore CMS platform within small, agile developer teams.
- ▶ Built component-driven UIs with Next.js and TypeScript, leveraging Tailwind CSS for responsive styling and Storybook for component testing and documentation.
- ▶ Collaborated closely with designers and back-end developers to ensure pixel-perfect, performant implementation.
- ▶ Wrote clean, maintainable, and well-documented code, while participating in code reviews following best coding practices.
- ▶ Worked on a team designing and implementing a reusable UI library available through the Sitecore Marketplace.

Junior Web Developer | Globacore 2020 – 2024

- ▶ Built interactive frontend experiences for virtual and in-person events serving thousands of attendees, primarily using React and Next.js for the front end and Contentful as the CMS.
- ▶ Led frontend development across multiple concurrent client projects, consistently delivering on time in a high-volume agency environment. Clients include HBO, DataRobot, Intel, Rogers, Miele, Novartis.
- ▶ Expanded into back-end development through R&D initiatives between projects, deepening full-stack knowledge.
- ▶ Wrote clear, well-documented code in a team environment while taking part in peer code reviews.

Digital Service Squad Member (Contract) | Digital Main Street / Clarington Board of Trade 2020

- ▶ Advised small businesses on accessing Digital Main Street grants and e-commerce programs in partnership with the Business Advisory Centre of Durham.
- ▶ Provided e-commerce consultation to help local businesses maximize program benefits and launch or improve online stores.

Online Specialist / Sales Coordinator, Corporate Markets | Swissmar 2017 – 2020

- ▶ Managed Shopify storefronts for both the Swissmar and Börner brands, overseeing product listings, promotions, and UX improvements.
- ▶ Administered Amazon Seller Central accounts for both brands, optimizing listings and driving online sales growth.

► Managed and optimized Google Ads campaigns for both companies, improving ROAS through ongoing keyword and bid strategy refinement.
